

Simplifying Care for You and Your Synapse Health Patients!

is in-network with Synapse Health

We have entered a capitated contract in Georgia and North Carolina for select UnitedHealthcare Medicare HMO and PPO members, streamlining the experience for everyone – prescribers, DME providers and patients.

With our robust nationwide network of top-quality DME providers, Synapse Health ensures continuity of service and care for your patients and seamless coordination of equipment delivery, maintenance and service needs!
